2018 DESIGNER MIX-OFF

California Home+Design and Studio Becker hosted the 4th Annual Designer Mix-Off competition at the Studio Becker San Francisco Showroom. This unique competition gave prominent Bay Area designers Annie Lowengart, Emilie Munroe, Geoffrey De Sousa, Kendall Wilkinson and Paul Vincent Wiseman the chance to show their creative abilities beyond interior design and rise to the challenge of concocting a clever cocktail. The winning drink was awarded to Paul Vincent Wiseman in collaboration with Cosentino for his "The Time's Up Martini"!
